## Description

Flat ring of NBR elastomer in blue colour, metric and PG thread for use with external threaded fittings and cable glands to provide an IP67 protection index to the joint. Available in various sizes.

### Advantages

CE conformity to the 2014/35 directive and the IEC 61386 standard.

Manufactured in NBR elastomer in blue colour RAL 5024.

Protection index EN 60529: IP68.

## Applications

Suitable for improving the tightness or the IP rating in the external thread of fittings for conduits or cable glands for the conduction or protection of wiring in general and industrial applications.
