Fixing Support

Description

ABS plastic support in a red colour for fixing and clamping cables to the Rejiband® wire mesh tray. A Rejiband® accessory that allows the organization of cables in the wire mesh tray and grouping of the different types of cables for convenience: power, UTP or fibre optic cables. Quick connection assembly using the Click system without screws.

Advantages

Fixing by quick click system.

Quick installation without the need for screws or fastenings.

Economical and reusable.

Allows a quick and flexible way to clamp cables.

Can be placed in the full width of the tray.

High safety material, flammability V0 according to UL94 for black references.

Applications

Suitable for installations of voice, data and fibre optic cables and all electrical wiring.
