Box Support Rejiband

Description

Plastic support in a red colour for the quick installation of junction boxes to the flange of the Rejiband® trays using the Click system without screws. Support suitable for trays of height 60 and 100 mm.

Advantages

Fixing by quick click system.

Quick installation.

Economical and reusable.

Support material is red plastic.

Applications

Use for the fitting of boxes or other items to the Rejiband® wire mesh tray by attaching with firm pressure to the tray rods.
