

## Box Support Rejiband

1/4

### Description

Plastic support in a red colour for the quick installation of junction boxes to the flange of the Rejiband® trays using the Click system without screws. Support suitable for trays of height 60 and 100 mm.

### Advantages

Fixing by quick click system.

Quick installation.

Economical and reusable.

Support material is red plastic.

### Applications

Use for the fitting of boxes or other items to the Rejiband® wire mesh tray by attaching with firm pressure to the tray rods.
