02/05/2024 Cable Tray Accessories

1/2

### Description

Metal cover for the protection of cables in the Click Crossover. Width 500 mm, With PG protection system, PG3 finish. It has a press-fit assembly system. Made of steel and available in various sizes and Protection Systems.

#### **Advantages**

The ends have an overlap to improve the fit with straight lids.

Available in all sizes and protection systems: PG, GC and stainless steel AISI304 and AISI316.

Press-fit click system requiring no additional parts.

# **Applications**

It is used for the protection of wiring in the installation of Pemsaband® One perforated and solid tray installations where the Click Crossover is used for installations in public buildings, infrastructures and civil works, tertiary sector and industrial applications.
