# Side Entry Cover Click

## Description

Metal cover for the protection of cables in the Click Side Entry. It has a press-fit assembly system. Made of steel and available in various sizes and Protection Systems.

## Advantages

Press-fit click system requiring no additional parts.

The ends have an overlap to improve the fit with straight lids.

Available in all sizes and protection systems: PG, GC and stainless steel AISI304 and AISI316.

## Applications

It is used for the protection of wiring in the installation of Pemsaband® One perforated and solid tray installations where the Click Side Entry is used for installations in public buildings, infrastructures and civil works, tertiary sector and industrial applications.
